Mrs. Kearns' Mayflower Mince Meat

Is the best for Christmas. It is made from a recipe brought to New England from England in the Puritan ship Mayflower. This is the same kind of mincemeat Priscilla used to make for Miles Standish, John Alden and the rest of them. It has an excellent flavor and is not expensive. WHY NOT GET THAT KIND?

ODD FELLOWS

The Illinois Odd Fellows' league was able to respond to a call for succor from a small central Illinois lodge and furnished a nurse for a smallpox case which it was impossible to supply nearer home. The patient was an Odd Fellow, and now the lodge has applications from several of the leading business men of the place to join the order, because they have seen a practical exemplification of the work of the order. —Illinois Odd Fellow.

The grand lodge of Oklahoma recently donated the sum of \$200 to Grand Chaplain Bugby, who is under treatment for cancer in Kansas City.

Contracts have been awarded for rebuilding the Odd Fellows' home at Corsicana, Tex.

It is one thing to see that a candidate is physically prepared for the ceremonies through which he is to pass. It is quite another to be certain that his mind is properly prepared to receive the instructions which are to follow.

A nonbeneficial member can change his membership into a beneficial membership only by withdrawing from the lodge and making regular application to be admitted as a beneficial member.

Live Odd Fellowship in your community. Nothing else will bring you greater prosperity.

Various forms of Odd Fellowship existed in England. The order is known to have existed about 100 years, and posthumous papers indicate that men were banded together for social and fraternal purposes and styled themselves Odd Fellows years before that.

The Rebekah lodges in California have a membership of 28,000, with an invested fund of \$75,000.

The Widows and Orphans' home of Texas, which was destroyed a little over a year ago, is being rebuilt and is nearing completion. An effort is being made to organize a boys' band in this home.

KNIGHTS AND LADIES.

Supreme Medical Examiner of the Order—Lodge Gleasons.

For over twenty-two years Dr. L. D. Wetherell has served as supreme medical examiner of the Knights and Ladies of Honor. He was elected to this position at the supreme lodge session in New York in 1883 and has held it continuously since that time. Dr. Wetherell has passed on hundreds of thou-

sands of medical examinations, every one of which are filed away so methodically that on a moment's notice any particular one can be found.

The New York Jurisdiction began the year 1906 with a membership in good standing of nearly 10,000.

The Knights and Ladies of Honor of Pennsylvania are doing good work. There are now 7,000 members in the Keystone Jurisdiction.

Recent reports show a membership in good standing in Missouri of 11,000.

During the year 1905 there was a net gain in membership in the Knights and Ladies of Honor of 8,286.

KNIGHTS OF PYTHIAS.

Pythian Notes and Gospel From Various Grand Domains.

At the Pythian jubilee held in Baltimore a button that caused much amusement was a yellow affair about the size of a quarter of a dollar, on which was in black letters: "Say! What Is This?" Many asked the question, and the answer was, "Join the Pythians and find out."

Illinois has voted against admitting boys under twenty-one years to membership in the order.

Iola lodge of Dayton, O., has one of the most famous rank teams in the country. The drill of this team requires two hours, and 100 men take part.

Recent reports indicate a healthy condition of the endowment rank throughout the supreme domain.

The latest report of Supreme Master of Exchequer Meares shows a balance on hand of \$46,452.92. There is included in that amount \$9,582.94 which belongs to the Illinois memorial fund.

Star of Bethlehem.

Recent reports show the order is making good progress in many jurisdictions.

The order was not permanently established in America until 1869, when it was introduced into New York and Pennsylvania by Sir Albert Gross of Newcastle-on-Tyne, England.

The grand commandery of Pennsylvania was instituted in 1870, with Sir Henry Hurd of Philadelphia as G. C. and Sir J. Jacob Siggas of Youngville as G. S. The eminent grand commandery of North America was instituted in June, 1871.

A HEALTHY OLD AGE OFTEN THE BEST PART OF LIFE

Help for Women Passing Through Change of Life

Providence has allotted as each at least seventy years in which to fulfill our mission in life, and it is generally our own fault if we die prematurely.

Mrs. Mary Koehne

Nervous exhaustion invites disease. This statement is the positive truth.

When everything becomes a burden and you cannot walk a few blocks without excessive fatigue, and you break out into perspiration easily, and your face flushes, and you grow excited and shaky at the least provocation, and you cannot bear to be crossed in anything, you are in danger; your nerves have given out; you need building up at once! To build up woman's nervous system and during the period of change of life we know of no better medicine than Lydia E. Pinkham's Vegetable Compound. Here is an illustration. Mrs. Mary L. Koehne, 371 Garfield Avenue, Chicago, Ill., writes:

"I have used Lydia E. Pinkham's Vegetable Compound for years in my family and it never disappoints; so when I felt that I was nearing the change of life I commenced treatment with it. I took in all about six bottles and it did me a great deal of good. It stopped my dizzy spells, pains in my back and the headache with which I had suffered for months before taking the Compound. I feel that if it had not been for this great medicine for women that I should not have been alive to-day. It is splendid for women, old or young, and will surely cure all female disorders."

Mrs. Pinkham, daughter-in-law of Lydia E. Pinkham, of Lynn, Mass., invites all sick and ailing women to write her for advice. Her great experience is at their service, free of cost.
